Walking in the Holy Spirit

Reading: Galatians 5:13 - 6:5

1. Carlos Ortiz believes that to walk in the Spirit means “to be continually conscious of the presence of Christ in us”. Is this a reasonable definition?
2. Can you recall examples of situations where God’s Spirit prompted you to act in a certain way?
3. Can you think of occasions where your actions have quenched the Holy Spirit?
4. Do you agree that fruit grow together and that you can't have one without the rest?
5. Which spiritual fruit do you have the most difficulty growing (Gal 5:22-23)

6. Would it be possible to be following your fleshly nature without being aware of it? Rom 8:14
7. 'If two Christians are quarrelling, then at least one of them must be out of the Spirit'. Do you agree?
8. Which do you think is the main way we are likely to fall out of step with each other? (Step ahead of line, push people away sideways, lag behind - get distracted or caught up in sin).
9. Which of the 3 ways in which we can keep people in step, do you think the Church is most guilty of neglecting? (Picking up those who have fallen, seeing that people are not overloaded, and each carrying their share of the load)
