What is *mainly music* 'mainly' about?

Is it really the music?

...As they were walking along and talking together,...

A mother of two preschoolers struggling with sleepless nights.

...As they were walking along and talking together,...

A grandmother whose son is sick with a mystery heart ailment.

...As they were walking along and talking together,...

A father of one newly arrived in Taupo.

...As they were walking along and talking together,...

An old friend about to move away worried about her teenage son.

...As they were walking along and talking together,... Jesus Himself came up and walked along with them.

As relationships are formed, Jesus, through you, has an opportunity to walk alongside those who are hurt, lonely, or struggling.

That is what *mainly music* is 'mainly' about.

Verses found in 2 Kings 2:11 and Luke 24:15

-Kids Ark - Timor Leste

Gardens are flourishing again after the devastating floods in April and May. Vaccinations are proceeding but some restrictions still in place.

A celebration when four young women were baptized last weekend.

- Loyal Workshop

Continue to think of Loyal as only half the workforce is able to continue in the workshop. Pray that their new website would be well received, and a testament to God's providence to the workshop.

- Joel & Lizzie (NZ/South Asia)

Pray for Joel, Lizzie and LJ as they make preparations to head back to their place in South Asia. Pray peace over them as they say goodbyes to family and friends. Please pray too for a miracle with an issue that has arisen in the Workshop's supply chain.

- Ross & Cindy (South Asia)

Please pray for supernatural renewal for Ross & Cindy. They are tired and in need of people who can help with the various tasks they hold: finance, auditing, property management, and admin.
