Elder's Retreat

This week our Elders are spending a couple of days reviewing, planning and praying for the months and years ahead.

New Zealand society seems to have a lack of good leadership role models. Our 'tall poppy syndrome' has meant that people are timid about raising their heads, accepting and exercising leadership.

To be an effective leader, a person needs to know what the role entails. This helps him/her approach the duties and responsibilities with confidence and enthusiasm. Leaders also require a 'mandate to rule'. This comes from having the respect and support of those whom they lead and serve.

Some of the key roles of Elders are:

Governance – Leadership: 1. Sharing the load of leadership. 2. Ensuring / dispensing justice. 3. Overseeing the "gateway" into the church. 4. Discerning the will of God. 5. Oversight and governance.

Pastoral – Teaching – Ministry Roles: 6. Intercession. 7. Refuting false teaching. 8. Shepherding and pastoral care. 9. Praying for people. 10. Preaching and teaching.

We can see that there is a lot involved in being an elder. In Acts 6 we read that some of the ministry was neglected because of all the administrative tasks that had to be done. It was at this point that deacons were appointed to take on some of these functions. These were highly capable, spiritually minded people – 'full of faith and the Holy Spirit'.

We are all members of the Body of Christ, using our gifts to serve the Lord and each other.

Please pray for our Elders we gather on Thursday afternoon through to Saturday.

And I pray that you, being rooted and established in love, may have power, together with all the Lord's holy people, to grasp how wide and long and high and deep is the love of Christ, and to know this love that surpasses knowledge—that you may be filled to the measure of all the fullness of God. Did you know the Policies and Constitution of Taupo Baptist Church are on our web page— <https://www.taupobaptist.org.nz/>

Below is an excerpt from our 'Childrens Policy'.

'TBC is committed to protecting all those within it, especially those who are vulnerable e.g. children, disabled.

Have respect for the children's personal space. Don't take it for granted that it is acceptable for an adult to touch a child without permission. This particularly applies to adult initiated hugs.

If you have any concerns you are encouraged to make these known to the Childrens Ministry Leader—Tim Fletcher—who will ensure the matter is investigated and acted on.'

This policy also applies to the protection of adults too. You can contact Pastors Martin Armstrong and Mike Bloore or Ministry Leaders, Tim Fletcher and Jacky Gartner with any concerns.

Charlie & Jo (South Asia)

"We are excited to be coming back to NZ. Before we do, we want to hand over jobs and neighbourhood roles well, and we look forward to a restful, productive and restorative time in NZ. For us as a community of expats, being united in our purpose and supportive of one another to create a safe, kind place to continue to learn how to do community well with each other and also with the people around us who have adopted us into their lives and their families."

Andrew & Roanna (South East Asia)

Thank you for praying for Theo. The family are now in a larger city where Theo is able to receive the medical attention he needs. Theo is doing well and the family are all adjusting.
