Kia Ora Whanau,

This is the scripture I used recently in the prayer points for the Monday night prayer meeting which had a focus on children-

1 Samuel 3:1-3 “The boy Samuel ministered before the Lord under Eli. In those days the word of the Lord was rare; there were not many visions. One night Eli, whose eyes were becoming so weak that he could barely see, was lying down in his usual place. The lamp of God had not yet gone out, and Samuel was lying down in the house of the Lord, where the ark of God was.”

A few things of note from this passage...

- **The boy Samuel ministered before the Lord under Eli**

The children need us to guide them in ways to serve the Lord and others. You might like to look for possibilities to include children in ministering in some way.

- **Eli, whose eyes were becoming so weak that he could barely see, was lying down in his usual place**

Sometimes we get into our comfort zone, we get used to doing things our usual way. Might that limit the way that God can move?

- **Samuel was lying down in the house of the Lord, where the ark of God was.**

Children are welcomed into God's presence, even into the Holy of Holies where the ark was. Maybe Jesus was right when he tells us that the kingdom belongs to such as these. (Lk 18:17)

The greatest gift we can give to our kids is the confidence and ability to share their thoughts and emotions with God and to catch what He is communicating back to them in everyday life.

Try this:

As you're winding down from an activity, say, "Let's just take three breaths and ask God to fill us with His peace."

**Youth

We are in our GROUPS this week - usual time & place

Please pray for our youth who are facing exams over the next few weeks.

"Now may the Lord of peace Himself give you peace at all times and in every way."

Africa.**

In Nigeria, there are 520 living languages, only 62 have a complete Bible.

Please pray for them! Our partner in Kenya has adapted quickly to working virtually and continues most of their management and translation tasks virtually, enabling the ministry to continue. Sometimes the meeting hours are demanding, eg. a mid-night to 2am meeting. We are encouraged and God is moving in the people groups where they serve.

China

Pray for the Chinese Christians who live in Auckland and feel a call to go back to China to witness to their families and friends.

Pray for wisdom as they seek God's plan in this, and safety for all those involved.

Thank God that they are listening to God and being proactive about HIS plan.

Ginny & Tsao (South Asia)

There has been some government NGO issues in Bangladesh over the last 3 days. Please pray for a speedy resolve of these issues, and God's hand in the matter.

- Freeset (South Asia)

Pray for the team at Freeset as they undergo some changes. Pray that during these times of transition, God will raise up leaders from within Freeset for His purpose.
