29 November 2020

This week I have been reflecting on how valuable each of us are in bringing others on a journey towards faith and saying YES to Jesus.

In fact, some parts of the body that seem weakest and least important are actually the most necessary. And the parts we regard as less honorable are those we clothe with the greatest care. So we carefully protect those parts that should not be seen, while the more honorable parts do not require this special care. So God has put the body together such that extra honor and care are given to those parts that have less dignity. This makes for harmony among the members, so that all the members care for each other. If one part suffers, all the parts suffer with it, and if one part is honored, all the parts are glad.

All of you together are Christ's body, and each of you is a part of it. I Corinthians 12:22-27.

This week at the Community Meal, I saw God at work again, through a church member coming to the meal for the first time, not knowing what their role would be, but more importantly being willing to come and sit amongst our guests. Having conversations, and through being welcoming, an opportunity arose, after a short thought-provoking word of encouragement.

Across the table a question was asked "do you believe in Jesus?" This opened up a conversation that will be ongoing in the weeks to come as people seek truth and hope in a world that appears hopeless to many.

We have a community of people that are becoming a family, such a privilege to be -Jesus with-Skin on to them. The TBC Team supporting the meal each week is substantial and vital for this ministry to continue which changing lives for good.

Thank you for your participation in this.

CAP Client Hampers.

We would like to bless our clients again this year with a Christmas Hamper. The hampers really make a difference to our clients and it's a great way to show our love and ongoing support to them.

We are in need of donations of food or cash.

Two Safety Reminders

- **Children upstairs unsupervised ARE not safe. They can open a window and get out on the roof.**
- **During an emergency evacuation, please ALWAYS go the NEAREST exit.**

Is anyone travelling to **New Plymouth** either regularly or as a one off who would be able to deliver a box for us.

As we continue to disciple our children, we will find that their interest in spiritual things comes and goes in waves. We need to 'surf the waves' of their interests

Try this:

Listen to your kids play or stories. Are there any recurring themes, such as being the rescuer, protector or nurturer? Ask them why they like that role.

Missions
Submitted by Lorna Chinn

Colombia – Bogota.

Shine for girls and women and **Strength** for boys and men have been delivered by the Eternal Seed Foundation in Bogotá, Colombia. Shine Woman was sponsored by TBC through Overseas Missions.

"Normally, when one thinks of "shining", thoughts of lights and cameras come to mind. To shine according to God is different. The Bible says, shine is light, and light is life.

John 1:4 defines light as life "In Him was life, and that life was the light of all mankind."

Shine and **Strength** programmes are equipping, supporting people. The programmes help, not only to renew their minds, but also to open a door so that light can shine and destroy the darkness in the hearts of men, women, young people, and adults that otherwise wouldn't have the opportunity of a space where values like friendship, trust, fellowship, and even more, acceptance and purpose are built. They are recognising and strengthening their identity, not only in themselves but in Jesus."

Thank you!!!

Shine and **Strength**, a great success.
